## Electronic Timing

At registration you will be given an electronic tag to be fitted to your shoe.. This will be removed from you at the finish of the race. If you do not complete the race please ensure that your tag is returned to the Finish area. Any tags which are lost or not collected at the end of the race will be charged to you at the price of £5.

## Parking

Parking is not permitted inside the gates of Ballacloan Stadium. There should be sufficient street parking nearby.

## The Start

**Marathon:** The start point for the **Marathon** is on Mooragh Promenade, approx. 400 yards from Race HQ. There will be a 10 minute warning call for the **9:00 am start**.

**Half Marathon:** The start point for the **Half Marathon** is on Mooragh, approx. 600 yards from Race HQ. There will be a 10 minute warning call for the **9:30 am start**.

## The Course

Both races follow the same circuit, which is just under 13.25 miles. Runners in the **Marathon** will complete slightly less than **two** circuits (to give the required marathon distance). The first 5 miles of the circuit are undulating, the high point of 259 feet being reached at approx. 4 miles (and 17 miles). The remainder of the course is mainly flat. Both races finish **inside** the Ballacloan Stadium.

Distances are marked at 1 mile intervals. The markers have been measured from the Marathon start line and for the Half Marathon, therefore, will each be 200 yards over-distance. The course has been measured by an England Athletics accredited measurer. Drinks stations are located at approx. 3 mile intervals.

With the exception of three specific points on the circuit, which are marshalled, you will be required to **RUN ON THE LEFT HAND SIDE** of the road throughout. **Failure to observe this rule could result in disqualification.**

**PLEASE REMEMBER that you will be running on OPEN ROADS and although there should be little traffic on a Sunday morning, PLEASE RUN SENSIBLY AND CAREFULLY.**

## Pacing

Any competitor receiving assistance by way of pacing by persons not participating in the race (regardless of whether such persons be on foot, cycle or motor vehicle), shall be liable to **disqualification**. Please ensure that your supporters read these notes before the start of the race and also remind them that they should not place themselves in positions where they are likely to impede the progress of other runners.

## Retirements

Any competitor retiring from the race should remove his/her number and report to the nearest marshal. Please do not drop out of the race without notifying an official. Please also ensure that your electronic timing tag is returned to the finish area. If it is not returned we will have to charge you £5 to cover the cost.

## Showers / Toilets

Changing rooms with showers and toilets are available in the Clubhouse. There are also public toilets on North Shore Road (by the boating lake in Mooragh Park) which is on the way to both starting points..

## Post-Race Reception and Results

The post-race reception will be held at Race HQ where a free buffet will be provided for all competitors. Bar facilities will be available. The trophy presentation will be made as soon as race results have been compiled. A full set of results will be on our website within 24 hours. .... ## Important Notice : Drinks

**DRINKS MAY ONLY BE TAKEN FROM THE DRINK STATIONS PROVIDED BY THE RACE ORGANISER.** This is to ensure that all athletes compete on a fair basis. i.e. One runner may not have the advantage over another by having family/friends supplying drinks on demand – a facility not available to all competitors . **We provide water at approx 3 mile intervals. You may supply your own drinks (of any kind) and carry them with you; or bring them to registration and they will be sent to the drink station/s of your choice.** Water will be also be given to you in the finish area.

## Safety Advice : iPods etc.

**For your own safety we would prefer you not to use any personal music device.**

If you fail to heed instructions from any course official because you do not hear, you may be disqualified from the race.

## Marathon Time Limit

There is a time limit of 6 hours for the Marathon. This is because we cannot keep race officials and first aid support on the road to cover anyone taking longer than this. Anyone passing the halfway point after 2 hours 50 minutes will be instructed to finish there. If you really want to enter the Marathon and will take longer than 6 hours, then please contact me to arrange an early start.

## Walkers

Walkers are welcome in both the Marathon and Half Marathon races - subject to the time limit detailed above.
